

## **FPC Transforms Cycle 1 Review**

In Cycle 1 we ran FPC Transforms from the Fall of 2016 through the Spring of 2019 with summers off.

- We offered 29 courses over the three year period, with two classes per session with the exception of Spring 2018 when we had an All Church Class.
- Over this time we had 23 teachers with multiple session members tag teaming for a few classes so if you count them than we had more like 27 teachers.
- Of the teachers we had 5 women teachers (not including women panelists in the various panel discussions). Of those 5 only 2 taught the entire session of their class (Dawn and Hannah).
