**A Wedding Hymn**  
to the tune "God of Our Fathers"

Thou hast ordained that two shall turn to one.  
With Adam's rib Creation's work was done.  
In holy awe, we live a mystery,  
Bound by love's chains, we are most truly free.

Husband and wife reflect a glorious sight;  
Christ leading Church from darkness into light.  
He vanquished sin; Earth's Prince would be denied.  
Now with scarred hands, He beckons to His Bride.

Lend us Thy grace to live each day with love,  
Tending with care this union from above.  
While we have breath, grant us Thy name to praise,  
Till on that day our mortal flesh Thou raise.
